MAY BAR HILL NEWS

Articles, letters and small advertisements for inclusion in the May issue of the Bar Hill News should reach the Editor, Martin Avery, 23 Foxhollow (CH 81233) by 20th April.

Copy date for display adverts is 15th April. Advertising enquiries to Bunty Waters, 77 Foxhollow. (CH 81493)

PARISH COUNCIL NEWS

The monthly meeting of the Parish Council was held on Tuesday 20th March in the Village Hall.

Petition

As reported in last month's News the petition asking for the spine path to be extended was presented to the County Council who agreed to reconsider their decision. However, Bovis Homes have informed the Council that unfortunately it will not now be possible to make land available from their development for the extension of the path. The matter can therefore be taken no further but nevertheless the Council would like to thank all those who signed the petition for their support.

The Mall

Following a special meeting of the Parish Council, Mr. Russ Wheeler has been appointed as the Council's liaison officer with Tesco. He will be having regular meetings with Tesco management and it is hoped that profitable discussions will result. Meanwhile the new shop units in the former Duxrite store have all been let and the new shops will be opening shortly. The flats above The Mall are in the process of being re-furnished and Tesco have further plans for improving the area at the front of The Mall which they hope to implement later in the year.

Bus Passes

The District Council have increased the cost of concessionary bus passes to £6.10 each with effect from 1st April but the Parish Council will continue to meet the full cost of these passes for all retired residents of Bar Hill. If you would like more information on this scheme, please contact Miss Lyn Moss, 7 Hanover Close (CH 81341)

Village Appraisal

Peter Blackman suggested that a survey of the village should be undertaken during the next few months in order to give information on which the Parish Council may base plans and decisions for the future. The Council was fully in support of this idea and a sub-committee consisting of Peter Blackman, Roger Hall and George Turner was set up to put the scheme into practice. Details of how this is to be done will be given in future editions of the Bar Hill News.

District Council Elections

The Council heard with regret of Derek Couzin-Woods decision not to stand for re-election to the District Council in May. The Village owes a great debt to Derek for his dedicated work as a district councillor and the Parish Council in particular would like to thank him for his unstinted co-operation and support. Nominations are currently being invited and a list of candidates will be published later.

A reminder that the local press and radio station welcome any news from the villages and that a local correspondent in Bar Hill would be of great value in ensuring that news from our village appears more frequently. If you think you could do this interesting and rewarding job, please contact the Deputy Clerk, Christine Avery on Crafts Hill 81233.

Annual Parish Council Meeting

The Annual Parish meeting will be held on Friday 13th April at 7.30pm in the Village Hall. An agenda is being distributed to all houses in the village and everyone is invited to come to the meeting which should be very interesting.

The next meeting of the Parish Council will be held on Tuesday 17 April at 7.30pm in Bar Hill School.

RESIDENT'S ASSOCIATION

We were pleased at the last meeting to welcome Mr. Paul Chubbuck onto our committee. Most of the meeting was taken up with fete business. As you know, the fete is to be held at the Village Hall/Green on June 30th this year. All village organisations should have had a form by now asking for details of the stalls you intend to have. If anyone has not received a form, would they please contact Kathy Carse, 20 Otter Close (CH 81542). We should like to remind all organisations that all your profits will go to your organisations - the Residents Association will just ask for a nominal fee for the use of the tables to cover the cost of hiring them.

Our next meeting will be in the School Lounge at 8.00pm on Monday April 9th.

LETTER TO THE EDITOR

Not wishing to enter into a slanging match, when are some of the parents who live on the village going to realise they have brought children into this world and they should look after them.

I do not refer to the vandalism which was caused in the Mall in the early hours of Sunday 11th March. That was caused by some of the young men of the village who are old enough to vote but stupid enough to go round causing such destruction that the police with patrol dogs had to be called in to deal with it.

I refer to the youngsters who congregate each evening and Sunday afternoons in the Mall. The noise of motor bikes roaring round and round, the shouting, swearing, sniffing and spitting.

Do you as a parent have it to clean up? Do you as a parent have to go out with a brush and soapy water to clean the graffiti off the walls? Do you as a parent have to clean all the spittle off the windows?

Don't moan that there is nothing for your children to do.

Chartered Surveyors and Estate Agents

Keeping things moving in.....

BAR HILL

EKINS have had a long association with BAR HILL and to maintain our service we appoint an experienced sales negotiator to have sole responsibility for the village.

PAUL KINALLY is our specialist - call him on Crafts Hill 81543 or Cambridge 65931.

PAUL will be pleased to call at any time to discuss your property and advise you without obligation what price it should bring in today's market. (If you have already instructed a firm of agents to act on your behalf, we can only accept instructions from that agent).

There is a buyer for every type of property and it is our business to not only find that buyer but to get the highest possible price.

The way to sell your property in the shortest possible time, at the best price, is to put it before the largest number of buyers. This we can do.

We have seven major offices throughout Cambridgeshire and Bedfordshire and over 140 staff working to sell your property.

Important Notice - through our own Mortgage Department we can get your purchaser a mortgage.

A few parents worked very hard and spent a lot of their valuable time making a youth club, how many of you offered to take a turn looking after it?

We allowed them the use of The Fox until some of them abused our hospitality and the noise, mess and bad language got so bad that regular customers stopped coming in.

Come on parents, stir yourselves and come alive to the fact that they are your children and your responsibility.

COULD YOU USE YOUR VILLAGE HALL

We are pleased to say that a lot of people do.

At the present time the Hall has regular bookings for Karate, Keep Fit, Aerobics, Dance Classes who all meet on a weekly basis.

Many people also find that we offer good facilities for Dances, Discos, Parties, Wedding Receptions etc.

The Pre-School Playgroup is thriving and holds two sessions each day using its own room and the small hall.

And upstairs the Social Club is open lunch-times and evenings every day. The annual subscription is very reasonable and you can take advantage of "club" prices. Snacks are also available and children are welcome (subject to club rules) so the whole family can enjoy themselves. The Social Club are also "on the spot" to provide a licensed bar for your function if you wish.

Also upstairs is a committee/Meetings Room, which is available for hire; and the changing rooms downstairs are used by the village football and cricket clubs, and can also be hired.

So why don't you think about using the facilities which already exist - or maybe your club or organisation would like to join our list of satisfied customers. I'm sure you will find our caretaker, Anne Swain, very helpful if you give her a ring on CH 81456, or call at 30 Foxhollow or at the Village Hall.

The Village Hall Management Committee are responsible for the day-to-day running of the Hall. We are also carrying out an ongoing programme of improvements as funds allow. Several village organisations send a representative to be an active member on the committee. If your organisation doesn't do so at the moment, and would like to, please contact me.

The Club is looking to strengthen its squad of players for the season 1984-85. We organise three teams, two senior and one junior (under 14) and play in the Cambridge and District Sunday Football League (Divisions 2B and 5B). We meet informally on Monday evenings (approx. 8 pm) at the Social Club. Why not come along and introduce yourselves, or alternatively contact M. P. Small (Crafts Hill 81067) for seniors and R. Roitman (C.H. 80447) for juniors.

BAR HILL COMMUNITY PRIMARY SCHOOL

A Happy Easter to you all and thanks to everyone who gave support to the Microwave Cooking Evening and made it such a success. I was amazed to find so many people coming from outside Bar Hill, mostly as guests of Bar Hillians, and I hope that they found our community school a good place to be in.

The Flower Arranging course has started very well - in danger of being over-subscribed! - and I hope that those attending will find help and encouragement and perhaps the will to start a Flower Arranging Club. From little acorns big oaks grow.

The one thing that has been a disappointment to me has been the response to my appeal for adults to help with the children's Holiday Playscheme. Please don't be put off if you have little ones as it may be possible to arrange a creche for them. I am also appealing to the older members of our community who could involve themselves in this community activity. Please think very seriously about this as time is fast running out and if I don't get more volunteers I am afraid the idea will have to be scrapped which would be a great pity for such a thriving community as ours. Once again I appeal to you in the hope that I shall be swamped with offers of help for the week 23-27 July. Remember even one morning or afternoon will help. Let me have your offers at school until 13th April and on Elsworth 365 during the school holidays. If I have insufficient volunteers by 20th April the idea will be scrapped.

Following the success of the Adult Ballroom Dancing Class it has been decided to continue this class next term.. Enrolment evening will be on the first evening of the term, Monday 30th April. Costs will be as last term, £15.00 per person per term, which will be payable on the first evening, 30th April, or it may be paid in two instalments the 1st of £7.50 on 30th and the second on 18th June. If you are not already members of this group do consider joining this social and instructive class.

I wish you good weather for the first Bank Holiday of the year and hope that your spirits will be refreshed after the winter.

I. Abraham

BAR HILL CHURCH LUNCHES

Did you know that it is 10 years since Jo Hall first started her monthly Friday lunches in the Church Centre.

Its origins were to enable a reasonably priced meal once a month for the older generation. It has become increasingly popular over the last few years with mums and younger children coming along. It certainly saves cooking an evening meal and the menus are quite varied.

The Christmas Lunch this last year had 50 diners, and as the saying goes "many hands make light work". Vegetables prepared by one, pies by another. Usually the meal is prepared by Jo and another volunteer; over the last 10 years it has been Val Page, Jenny Ellis, Chris Avery and Chris Goodman, but always Jo.

This month's menus on 13th April (a week early due to Easter)

Bacon and mushroom quiche Rice salad Baked beans

Fruit fool and shortcake biscuits

Adults 75p

Children 40p

P.T.A. NEWS

Another familiar story : the Folk Evening was not as well attended as we had hoped it would be, but those who did go had a thoroughly enjoyable time. We also raised about £40 for the School.

There is still some space available for individuals and organisations wishing to have a stall at the May Day Fete on Saturday 12th May. Please get in touch with the Secretary (Crafts Hill 80758) if you would like to take part. The fete programme is now being put together; local firms and shops wishing to place an advertisement in its pages are asked to contact the Secretary.

Explorers' Evening

Dr. Richard Preece of the University of Cambridge will give an illustrated talk on the natural history of Tristan da Cunha on Wednesday 11th April at 8 pm in the School. The British-owned volcanic island group of Tristan da Cunha (Lat. 37°S, Long. 13°W, Capital: Edinburgh) in the South Atlantic is possibly the most remote island-settlement in the world. The nearest land is southern Africa, 1750 miles to the east. This isolation means that there are now several unique aspects to the fauna and flora of the islands, including certain peculiarities in the human population!

Light refreshments will be available at the end of the talk. There will be a silver collection.

All interested (including accompanied children) will be most welcome.

MUSIC FOR ALL

Thanks to those of you who attended the first event staged by this newly formed society. With a special thanks to those who helped to lay out the Village Hall for the occasion.

Everything was superb, the Hall looked a picture with its candle-lit tables arranged to form a cosy dance floor with the lighting just perfect. The guest Duo - Helen and Malcolm - presented an unforgettable collection of tunes, both old and new, which really made one want to dance close and long with one's partner. They provided music and song for all from "The Green Green Grass of Home" to the "Birdie Song". There was a tasty selection of food from the Snack Bar. These included Tea, Coffee, Cheesecake, HOT sausage rolls, crisps, etc. In fact, as I first said, everything was perfect - all that was missing was 'YOU'.

So do please try and come along to our next evening of Music for All (or M.F.A. - to keep in with the trend for initials for everything.) The next event will be held in the VILLAGE HALL on 20th April 1984, when the RAINMAKERS Duo will be playing for those of us who prefer the quieter type of music and real dancing.

In May we shall be having two evenings of entertainment, there will be an OLD TIME MUSICAL sing-along evening and a return visit from HELEN AND MALCOLM. In June NORMAN CLARK with his organ will provide an evening of old time dancing.

So you see there is quite a variety of music provided by M.F.A. for you. So please do support us and come along on 20th April and bring a bottle of wine if you wish and let yourself go.
